

## Ethos and values.

As a voluntary aided Church of England School, the principles of the Christian way of life are implicit in all we do. Our Christian vision and values underpin our ethos, everyone, adult or child, is valued and encouraged to achieve their full potential, academically and socially. Every member of our school community is encouraged to value and respect each other.

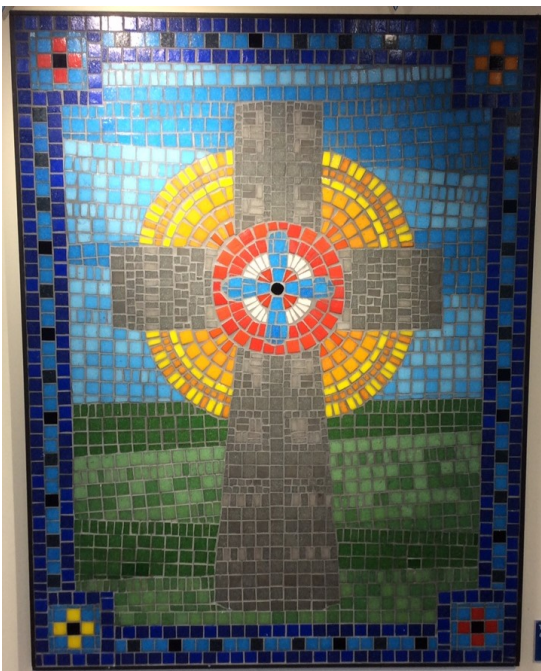

In this caring Christian family, we celebrate our God-given individuality, achievements and talents and we aspire, with God's help, to become the best that we can be. We believe that each one of us has the ability to achieve our highest potential, living and learning in the fullness of God.

We sum this up in our mission statement;

*We believe in excellence; inspiring every child to flourish within a caring, Christian community.*

and in our Christian vision statement;

*Through our faith in God, Father, Son and Holy Spirit, we strive to nurture each pupils' abilities and talents so that they can 'have life and have it to the full' (John 10.10) and use it in the service of God and other people.*
