

## Headteacher's welcome

On behalf of the pupils, staff and governors, I would like to welcome you and your family to Newton Bluecoat C E Primary School. We have been successfully providing an excellent education to the children of Newton and Clifton since 1707.

We have high aspirations for every child and an expectation that they will achieve their full potential. We will do our best to help them and provide an inspirational and creative curriculum, rich in opportunity and full of challenge. We understand that every child is precious – an individual blessed with their own unique set of gifts and talents and we work hard to encourage and support each child as they discover where their strengths lie.

We pride ourselves on our happy, friendly and caring atmosphere, as well as our strong Christian ethos, which underpins all that we do. We have good links with our local church of St John's Lund and we endeavour to help all our children develop their understanding of the Christian faith. At Newton, each child grows knowing that they belong to our school community and that our school community belongs to them. This knowledge fosters a pride in their school and its achievements, and an understanding that each individual is a very important part of the whole.

We hope that this website, and our accompanying Facebook, pages provide you with both an insight into school life and a wealth of useful information. We would love to show you round our school. Please make an appointment with Mrs Seed in the school office.

Yours Sincerely

*Mr J A Bird*

Headteacher
