

PSHE Intent, Implementation and Impact
Newton Bluecoat C. of E. Primary School

<u>Intent</u>	<u>Implementation</u>	<u>Impact</u>
<p>PHSE enables our children to become healthy, independent and responsible members of society. We aim to deliver a PSHE curriculum, which enables all pupils to know more, remember more and understand how to play a positive and successful role in society. It will help them to understand how they develop personally and socially, while tackling many social, moral and cultural issues that are part of growing up. We provide opportunities for the children to learn about rights and responsibilities and equip them to make choices as they grow. We are aware that PSHE supports many of the principles of safeguarding and links closely to SMSC, British Values and our Christian Values within our Christian Vision. Our children are encouraged to develop their sense of self-worth by contributing to school life and the local community.</p>	<p>It is hoped that our overall curriculum is designed to support the pastoral education for our pupils as well as the academic outcomes. Our curriculum covers the three PSHE core themes of Health and Well-being, Relationships and The Wider World. Following the statutory curriculum, teachers use our curriculum overview for each year group to plan and deliver weekly lessons, supported by a variety of resources. In addition, there are occasions where teachers feel it may be necessary to teach PSHE as a result of an issue arising in their own class. Children build on key knowledge, language and meanings in order to understand PSHE and use across the wider curriculum. All classes have a PSHE Big Book to exemplify learning across the subject and show their responses and progress in lessons. These books travel with the children as they move into the next year group so they can look back on their learning and the next teacher can see the starting points. Whole school,</p>	<p>Our children will become healthy and responsible members of society, equipped with the knowledge and skills to make the right choices in society. They will demonstrate and apply the British Values of Democracy, Tolerance, Mutual Respect, Rule of Law and Liberty, alongside our Christian Values. We want our children to display a healthy outlook towards school and their learning, to enable good attendance and achieve age related expectations. For all children to be on a journey preparing them for life and work in modern Britain.</p>
